Net Proceeds
Benefit Local Charities

What is Hangman's House of Horrors?

In 2011, **Hangman's House of Horrors** celebrates its 23rd year as the top charity-benefiting haunted house in the WORLD! To date, the house has entertained **over half a million patrons** and donated over **\$1.7 million** to local charities!

Hangman's is recognized nationally as a premiere haunted attraction, having been named as one of the top in the nation by MSNBC, featured on the *Travel Channel's* "America's Scariest Halloween Attractions" and highlighted as one of the country's "Halloween Hot Spots" by *Family Circle* magazine. The house was recently voted "Best Place to Get Spooked" by the readers of *Fort Worth Magazine* and named as a "Best of Fort Worth" tourist attraction by the U.S. Commerce Association. The annual production involves over 1000 adult volunteers and 200 companies who contribute time, talent and supplies to this tremendously successful endeavor.

Hangman's is located at Interstate 30 and Forest Park Boulevard, one mile west of downtown Fort Worth. This season, the house will open on Friday, September 16th, and be open selected evenings through Sunday, October 31st. (Visit www.hangmans.com for exact dates and times.)

The haunted tour includes four separate attractions: the classic haunted house, **Hangman's House of Horrors**, and three side attractions, McDagenville, The Labyrinth and 3-D Wonderland. Additionally, the three-acre property is transformed into an exciting festival area featuring live bands, karaoke, a Euro-bungee, festival activities, novelties, concessions and more.

Hangman's is especially proud of its reputation as a family-oriented "haunted funhouse" that specializes in disorienting, playful scares. Hangman's has been ranked as the number one haunted attraction in the area by the *Dallas Morning News* and the *Fort Worth Star-Telegram*. "Hangman's is legendary. There's literally something waiting around each corner and behind every door. At least 100 characters bound out from all directions. The presentation is opulent!" said the reviewer from the *Morning News*. The *Star-Telegram* concurred, "Readers had no problem choosing Hangman's House of Horrors as their favorite place to get the willies. Not only is it in support of a very worthy cause, but the imagination and obvious hard work that goes into it is way beyond the average haunted house."

Net proceeds from Hangman's House of Horrors benefit local charities, all of which are non-profit 501c-3 organizations. **Hangman's 2011 beneficiaries include the American Cancer Society, a Wish with Wings, Cenikor Foundation, Rocky Top Therapy Center and SafeHaven of Tarrant County.** All funds remain in the area for local programs and services.
